

Giving Hope a Space to Grow

Interval Home
LLOYDMINSTER

Keeping women, children and youth safe is our top priority.

YOUR HELP IS NEEDED.

How can you make an impact?

For over 40 years the **Lloydminster Interval Home Society** has made the commitment to women, children, and youth to provide a safe refuge away from domestic violence. Over the years the society has grown to incorporate internal and external outreach programs and support services, educational programs to promote healthy relationships, and several social enterprise

elements that help us fund the work we do for the clients we serve. 162 women and 167 children accessed our emergency supports in 2022-2023 and were able to get the help and compassion they deserve. This is all thanks to the generous donations from our amazing community!

Your gift will help provide women and children the items they need to feel at home and comfortable while they are with us.

**CLIENTS WHO
HAVE ACCESSED
OUR SERVICES
HAVE SHARED:**

“ Over many years of abuse either physically or mentally from not just relationships but from family members I was living in flight or fight mode since I was a little girl. This was all I knew to protect myself from being hurt by others. ”

“ With the workers support at the Interval Home, I was able to finally trust someone and work on myself. They truly changed my life, if it wasn't for them, I honestly don't think I'd be where I am today. ”

43 Years of providing safety, support and education to the Lloydminster and surrounding area.

Invest In Our Youth... Invest In Our Community

The **Lloydminster Community Youth Center** welcomes approximately 400 to 550 youth visits each month, and that number is steadily rising! The center is a great place for youth ages 12-18 to come and enjoy their evenings with friends, surrounded by leadership opportunity and support.

Your gift will help us provide these youth with barrier free activities and programming – What does that mean you ask?

Youth ask us for help in these ways:

- I don't have a ride - I can't get to the youth centre - **We offer free pick ups** from school and a ride home at the end of the night.
- I haven't had a hot meal for a couple days - **We offer hot meals** to all youth who attend the centre. They are nutritious and tasty too!
- I can't afford activities but would love to try new things - **We schedule fun activities** for each evening! From skating, tobogganing, gym nights, game nights, art nights and so much more.
- I want to go somewhere that I can be myself and make new friends - **Every youth who attends is accepted for who they are!** Youth keep coming back because they love being a part of the centre and feel included while being themselves.

Because of you - all these activities and services are FREE through LCYC!

Your gift helps to make this all possible.

LCYC has been in the community serving our youth for many years, providing a safe and enjoyable environment. Kids come for the activities, but they keep coming back because they feel accepted and supported when they're here.
